

## The SAMMBA Fund Application Form

The Sunart Ardnamurchan Moidart and Morvern Beekeepers Association (SAMMBA) was wound up in 2018 and its remaining funds and equipment proceeds of more than £3600 were offered to SNHBS. SAMMBA's wish was that SNHBS members be invited to apply for specific types of funding and the Fund be administered by three SNHBS trustees or former trustees.

SNHBS members may apply for funds for the following purposes:

1. funding for the breeding of Scottish Amm stock up to maximum of £400
2. paying relevant course fees for those involved in Amm breeding groups in Scotland up to maximum of £50 per course and once per annum
3. funding for DNA analysis of normally previously unidentified breeding lines from SNHBS Conservation Project or members' breeding groups
4. funding of security cameras at Scottish Amm breeding sites up to maximum of £200

When assessing applications for purpose (1) above, priority will be given to Scottish breeding groups rather than individuals.

Consideration will be given to other relevant applications.

Please complete this form on your computer (so the boxes will expand to accommodate your answers) and submit it by email or post to Kate Atchley: [bees@kateatchley.co.uk](mailto:bees@kateatchley.co.uk) or at Druienish, Roxburgh, Kelso TD5 8LZ; mobile 07774 807645.
